The procedure indicated by the Swamigalu is not what is required in his letter in view of the orders issued in 1892 in the matter & also in the light of previous Communications of the Swamigalu. OFFICE OF THE DEPUTY COMMISSIONER
MYSORE DISTRICT

DATED, MYSORE 24th February

Dear Sir,

In continuation of previous correspondence about the Sri Vyasaraya Matt affairs , I enclose a copy of letter received late last night from the T.Narasipur Amildar.

As the Sub Division Officer is expected to be at T. Narasipur to day and as the Police Superintendent is, I believe, there already, I expect that they will open the eyes both of the Swamigalu and of Subbaranarasimhachar to the risk they run by unauthorised nomination.

Yours Sincerely,

To

D.N.Narasinga Rao, Esquire., B.A.,B.L.,

Secretary to the Government of Mysore,

General and Revenue Departments.

Submitted to First Member. Matter seem to be coming to a crisis.

Draft 26/2

Please let me see the order requiring Govt approval for nomination of a Mathadhipathi.

26/2/15

The case is becoming a delicate one.

May we inform the Swami that Govt cannot possibly approve of the election of Subbaharasimhachariar or Krishnaswamy Ramachariar & that if he acts without obtaining sanction, the consequences may not be pleasant to the Mathadhipathi?

Dewan 26/2/15

I agree with the first alternative. This may be taken accordingly

HIS HIGHNESS SIR SRI KRISHNA RAJA WODEYAR BAHADUR,

Knight Great Grand Commander of the most Exalted Order

of the Star of India, MAHARAJA OF M Y S O R E.

Rec'd 9.2.15.

Please send him to Camp by day.

May it please your most exalted Royal Highness,

We, the undersigned disciples of the Vyasaraya Mutt, residing at Srirangam and Trichinopoly, beg leave to submit for the favorable consideration of His Royal Highness that in the matter of succession to the office of High Priest of Sri Sri Vyasaraya Mutt, the living Swami should be allowed in conformity with ancient and time-honored practice, the option of selecting a person suitable to the high rank and status and duly qualified by piety, and learning and above all a thorough knowledge of the customs and tenets peculiar to this Mutt and that the matter should not be treated in a worldly point of view as merely an appointment vested in the hands of the Government. At best the Swami may be asked to allow the Government the privilege of approval and not of nomination or appointment.

He has to administer mantropadesam to his successor with his free-will and pleasure, without restraint or pressure of any kind from outside. In view of preserving the Mutt property in its entirety and restraining the Swamy from incurring debts needlessly and squandering away its wealth or income on his relations etc., the Government may impose suitable restrictions as to expenses etc., Interference of the State in the matter of succession is likely to fetter the Swami unnecessarily and to disgrace him in the eyes of his disciples. The Sanctity of the Office will be tarnished. In all the Mutts the High Priest has all along selected his successor and in no case has the State interfered.

Having learnt the views of the Swami, it was submitted

that the State may choose Kesala Vedamurthi Srikanteswara Sastri who is a learned and pious pundit well conversant in the customs and usages of the Vyasaraya Mutt, and also a descendant of a former Swami, whom the grand mother of a point to succeed him. We are led to understand to our regret that objection is taken to him as being a descendant of a Swami, who is supposed to have alienated some of the Mutt properties. We humbly beg to submit, in justice to him, that he should not be made to pay for his ancestor's sins, if any, as long as he is otherwise eminently fit to occupy the sacred seat.

It is most essential that the seat should be occupied by a Swami who is zealously persistent and conservative in following the peculiar customs and usages prevailing in this Mutt and inaugurated by his renowned and immortal leaders such as, Sri Sri Vyasarayaru- author of the famous Chandrika- and so forth, without allowing himself to be induced to give them up for worldly consideration or introduce innovations prejudicial to the prestige of this Mutt, or to be found ever by the Swamis of other Mutts.

Taking all these circumstances into consideration, we most fervently pray that the State may approve of the nomination of Vedamurthi Srikanteswara Sastri and that in this nomination should fail to meet with the approval of the State Vedamurthi Kavda Sri Sri Venkataramana Sastrigal may succeed to the pious seat in preference to other candidates who seem to be vieing with one another coming forward with recommendations and support of persons in influence and offering unwholesome as unseemly ostentation thereby that it is an encouragement contrary to the customs of the Mutt tending to advertising and prostituting the right of the High Priest to appoint his own successor, the duty of the State towards the disciples of the Mutt who look to it for protection in this matter to fill some [illegible]

The Dewan of Mysore
Bangalore

Sir,

In the following despatches of Sri Vyasaraya Mutt residing in Mysore, who are deeply interested in the welfare of our Mutt, take this opportunity of offering our heartfelt thanks and gratitude for the benign Mysore Government for having taken upon itself the management of the resources of the Mutt, thereby clearing it of the many abuses to which it had been subjected, and placing it on a firm and satisfactory basis. We however, feel convinced that however much the State may do, a good deal depends on the personal of the Head of the Mutt. We want as the Head of the Mutt, not only a gentleman of eminence in learning and scholarship but also one of strong will and shrewd in management. Unfortunately, the Mutt is not always able to secure such persons. We now hear to our great regret that our present Swamiji who is universally revered for his learning and goodness is seriously ill, and the thought of His Holiness' successor is at present engaging the serious

attention of your Government. We therefore avail ourselves of this occasion to bring to your notice that of all the candidates either put ~~forwards~~ forth or coming forward to the post, the name of Vidwanmani Gundagiri Venkataramanachar Esq stands itself ~~to us~~ as the best, so we are convinced that this gentleman combines in himself great learning, force of character, and power of management and commands great respect and popularity.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Muzarayi),—dated 14th December 1892

NO. 233-42—MUZ. F. 102-92, DATED BANGALORE, 14TH DECEMBER 1892

ORDER.—It has been brought to notice that the established custom of obtaining His Highness the Maharaja's previous consent to nomination of successors to religious Matts within the State, has not been followed in recent years in a few individual instances.

2. This custom which is an ancient one was followed even during the British administration of the State by reporting every succession to a Matt for the orders of the Chief Commissioner.

3. The omission to report in a few cases has led to the succession to the Gurushp of persons, who from their antecedents or lack of learning and qualification do not always command the esteem and regard of their disciples.

4. The Government of His Highness the Maharaja are of opinion that it will advance the public good to enforce due observance of the custom as regards those Matts which enjoy Government grants.

5. It is therefore ordered that the following Rules on the subject will be communicated to all the Matts in the State —

RULES

I. Every succession to a Matt enjoying Government grants in land or money or honors granted by the sovereign, should receive the approval of His Highness the Maharaja. Such approval should ordinarily be obtained by previous application to His Highness in the Muzarayi Department

II. To provide as far as possible against the contingency of a Guru dying suddenly he may as an act of ordinary prudence fix upon one or more eligible persons for an eventual selection by himself as his successor and obtain His Highness' opinion as to the eligibility of such persons The Guru may, then in due time, select one of them to succeed him

III. Should the Guru fail to obtain His Highness approval to an eligible candidate or candidates and should he on the sudden approach of death or fear of death select a successor and give the *Upadesam* to him the recognition of his succession will, for the purpose of enabling him to enjoy said State grants in land or money, rest with His Highness who in exercising his discretion in the matter, will be guided by the opinion of the community and the personal qualification of the successor

IV. Should a Guru die without giving *Upadesam* to a successor his survivors, then a proper successor shall be selected by the community interested with the consent of His Highness

V. Non-recognition of a successor by His Highness will involve the resumption of all State grants in land or money and the customary *Mariyadhes* and *Birudhus* granted or enjoyed under authority from the sovereign

Note.

On the eve of his departure from Bangalore, the Swamy sent for me to his place of residence in Chamarajpet and told me in confidence that his friends wanting as his successor Krishnaswamy Aiyer was writing under pressure, that he had not really made up his mind, that he was still hale and hearty and quite capable of attending to the duties of his office for some years to come and that if need be he would again write to Govt. on the subject. He desired that no orders of Govt. need be passed on the present friendless. I told him that his wishes will be brought to the notice of the Councillors. He asked me smilingly whether in case of emergency he might not indeed as a private person address Govt. for the Swamy's Avatara bearing his recognition as Matadhipathi by Govt. I gave him to understand that both under the rules and in the relationship now existing between the Matha and Govt. it would be a decidedly wrong step and one which will be viewed by Govt. with utter

disapproval, that in these days of rapid communication, no such emergency can possibly arise & that in the interests of the Mathas and himself he would not take any such ill-advised a step. He appeared to acquiesce in the views and replied that no such contingency was likely to arise.

I have seen Krishnaswamy Ayya. He is a young man of 33 years with a fairly young family. His literary education appears to have been fairly satisfactory and he is reported to be taking lessons in the Siddhanta from under the present Swamy. There is nothing remarkable about him and the point of his motives in seeking the place is not above suspicion. He himself appears to be diffident about the continued support of his cause by the Swamy and is afraid of adverse influences upon the Swamy from his enemies.

Everything considered, it seems to be advisable to wait for some time longer before taking any action in the matter. The Srimukha may

DATED, MYSORE 23rd February 1915

Dear Sir,

In continuation of my previous letters about the Sri Vyasaraya Matt at Sosile , I enclose a copy of the Amildar's report received this day. The Amildar has been asked to employ two constables and an application has been made to the Inspector General of Police for the loan of these On receipt of his reply, the sanction of Government will be applied for.

I hear that though the Swami is not ill now, it is difficult for him to attend to the daily Puja and that the physical exertion on this account and the mental worry as regards the succession to the Matt are likely to affect his health much.

Yours Sincerely,

Dear Sir,

In regard to Sosale Mutt affair it is desirable to have two Special Constables to keep a keen watch on the doings of the various members of the Mutt who of late have taken to much scheming. At present, there are many wild rumours afloat but I think not one can be considered to be serious. The posting of two men for duty in the Mutt will not only enable us to ~~leave~~ have some reliable information but will also prevent scare-mongers from spreading fantastic tales. The Muzrai Superintendent may be kindly requested to meet out of the Mutt Funds the pay of the constables so posted for Special duty. The Police Inspector has been directed to select two good men for the work.

TO,

HIS HIGHNESS SIR SRI KRISHNA RAJA WODEYAR BAHADUR;

Knight Great Grand Commander of the most Exalted Order

of the Star of India, MAHARAJA OF M Y S O R E.

May it please your most exalted Royal Highness,

We, the undersigned disciples of the Vyasaraya Mutt, residing at Srirangam and Trichinopoly, beg leave to submit for the favorable consideration of His Royal Highness that in the matter of succession to the Office of High Priest of Sri Sri Vyasaraya Mutt, the living Swami Should be allowed in conformity with ancient and time-honored practice, the option of selecting a person suitable to His high rank and status and duly qualified by piety, and learning and above all a thorough knowledge of the customs and tenets peculiar to this Mutt and that the matter should not be treated in a worldly point of view as merely an appointment vested in the hands of the Government. At best the Swami may be asked to allow the Government the privilege of approval and not of nomination or appointment.

He has to administer mantropadesam to his successor with his free-will and pleasure, without restraint or pressure of any kind from outside. In view of preserving the Mutt property in its entirety and restraining the Swamy from incurring debts needlessly and squandering away its wealth or income on his relations etc., the Government may in case suitable restrictions as to expenses etc., Interference of the State in the matter of succession is likely to fetter the Swami unnecessarily and to disgrace Him in the eyes of His disciples. The Sanctity of the Office will be tarnished. In all the Mutts the High Priest has all along selected His successor and in no case has the State interfered.

Having learnt the views of the Swami, it was submitted

that the State may choose Sosale Vedamurthi Krishnaswami Acharia who is a learned and pious pundit well conversant with the customs and usages of the Vyasaraya Mutt, and also a descendant of a former Swami, whom the Swami wishes to appoint to succeed him. We are led to understand to our regret that objection is taken to him as being a descendant of a Swami, who is supposed to have alienated some of the Mutt Property. We humbly beg to submit, in justice to him, that he should not be made to pay for his ancestor's sins, if any, as long as he is otherwise eminently fit to occupy the sacred Peetam.

It is most essential that the seat should be occupied by a Swami who is zealously persistent and conservative in following the peculiar customs and usages prevailing in this Mutt and inaugurated by his renowned and immortal leaders such as, Sri Sri Vyasaraya- author of the famous Chandrika- and so forth, without allowing himself to be induced to give them up for worldly consideration or introduce innovations prejudicial to the prestige of this Mutt, or to be gained over by the Swamis ofother Mutts.

Taking all these circumstances into consideration, we most fervently pray that the State may approve of the nomination of Vedamurthi Krishnaswami Acharia and that if this nomination should fail to meet with the approval of the State Vedamurthi Goudagiri Sri Venkataramana Acharia may succeed to the pious seat in preference to other candidates who seem to be vieing with one another coming forward with recommendations and support of persons in influence and offering unwholesome or unseemly competition thinking that it is an appointment entirely in the patronage of the State instead of advocating and supporting the right of the High Priest to appoint his own successor, the idea of the State forcing on the disciples of the Mutt whom to regard as their Guru being highly repugnant to all sense propriety and religious feel-

The Swami is not to be an object of fear but a subject of Awe and Reverence. There is a great deal in the Mantropadesam administered by the Swami with His free-will and choice

This is why we disciples venture to urge for the favorable consideration of His Highness' Government that the selection made by His Holiness the High Priest of Sri Sri Vyasaraya Mutt may be duly accepted to the immense satisfaction of His Holiness and His devoted disciples.
